Jay: Why did you stick up fro her?!

Amber: (turning around) because I can Jay.

[Jay takes a step back. Shocked at the simple reply Amber said]

Jay: How could you? Amber, look what she did (pleading).

Amber: Everyone makes mistakes. Everyone deserves to be forgiven Jay, even Gel.

Jay: (taken Amber's hands) she sold out her own tribe. Our friends are taken and she could have told us about all of this before.

[Amber moves her hands away form Jay's]

Amber: No Jay!

Jay: No what? Amber

Amber: Do you see the fear and guilt in Gel's eyes? Do you? Well, I do. I see the pain and forgiveness she craves. All, you see is the arrogant and selfish girl, she wants us to see. Not the true her.

Look into her eyes Jay just look.

Jay: I don't know. I don't think we should let this go...She did wrong.

Amber: (frustration finally seeping through) what is wrong with you?! How pig-headed can one guy get! How self-cantered can you get Jay. If I remember correctly, which I do. You were a Techno. Do you think we should have forgiven you? Well....?

Jay: I was different...

Bray: Hungry?

(Bit blushed the boy nods and Bray gives him a warm smile): "Its okay boy...I am hungry too...come on let's find a place to stay for the night and then we eat..."

(Happily Kaden smiles and nods again)

---

[Camera cuts to a girl, in a sexy outfit, but she looks tired and ill. Her walk isn't straight, it more seems like she is drunken. She holds onto the wall, to be able to walk as five violent looking guys suddenly stop her]

Guy1: "Awww....what do you have sweetie? (Touches her waist intimately, she pushes him away)

Girl (grabs after it): "Its my medicine...I need to survive..."

Guy3: "Must be good stuff then..."

Girl: "It's no stuff...its insulin...I am diabetic..."

Guy1: "Sure...as if a diabetic could have survived so long..." (Takes a pill and steps it broken)

(Girl gets furious and collects her power together): "NOOOOOOOOOOOOOOOOOOOO"

[Bray enters the place, where the girl desperately tries to save her necessary medicine]

Bray: "Hey...what you are doing with her? Let her go!"

Girl: "Oh please help me..."(tears rundown her face and she is shacking heavy)

Guy1: "Stay out our business!"

(Bray sets on an unimpressed face and takes a stick from the floor): "Well...I have a problem with my ear...you need to come closer to speak to me!" ( `Guy1 looks unsure at the others, who seems not used to see their leader be frightened, so >Guy 1 steps closer)

Guy1: "I'll show you who's leading here..."

Bray: "I'm waiting, man..."

(Guy1 storms to him and wants to rip the stick away, Bray just turns it round and smashes Guy1 down onto the floor)

Bray: "Was that everything? Now I'm impressed..." (In his eyes is a cruelty that we didn't know in him before, the other guys run away)

Guy1: "Next time..."(runs away too=

Bray: "I am waiting impatiently!"(He calls behind the running guy with a grin, then eh runs over to the girl which fainted now) "Hey you...come back...hey...(he shakes her, then he discovers the insulin and looks shocked at the pale girl)

Bray. "Damn it...diabetic...how do you survive?" (Tender his hand wipes off the sweat of her forehead, he collects her things together and takes her then up in his arms, carrying her back to Kaden)

Ram (waving tiredly): "Already have been there, so...NO THANKS!"

(Ram looks at the guy who hardly can control the anger inside and gets earnest)

Ram: "You think tai-San maybe is at the place or?"

Lex: "Maybe she was...maybe I could have saved her...if that stupid cow only would have said something..."

Ram: "You could be angry with me too...I knew bout Roxby Down...but never thought about telling you..."

Lex (sarcastic): "Well...I knew you were pure evil...but Gel? She played Miss Holy Innocent..."

Ram (grins slanting): "The point would be different if she would have let you on, won't it?"

(Lex raises from his chair and just sends ram an angry look, before he leaves, ram grins slanting)

Ram: "Lex, Lex, Lex..."

---

## Scene 11

[We see Ebony and Slade, Ebony is putting on a new shirt. Slade is watching from the bed]

Slade: "Man...if sex would have an explanation...then it would be you..."

Ebony (annoyed): "What you mean with that?" (Slade gets up from bed, close her and starts to kiss her neck)

Slade: "You just look so damn hot..."

Ebony (rolls eyes): "Tell me something I don't know..."

Slade (bites her softly into her neck): "Why you are so nasty?"

Ebony (pushing him away): "How can you think at that now? Just after what we heard from her..."

Slade (rolling his eyes now): "Don't come telling me, that's what on your mind...come on Ebony...you've done worse things then that..."

Ebony (glaring at him): "What you mean with that?"

Slade: "I mean...you....you sold Trudy to the Chosen...you...married Ram...you...erm..."

Ebony: "So now I am the evil again? To remind you I often rescued all the Asses in here as well!"

Slade: "Is it really that what makes you so upset? Isn't just that I am not the man you want to be with?"

Ebony: "What's that saying again?"

Slade: "maybe you want to be with Lex....as you spent more time with him as with me...I guess if he would kiss your neck..."

Ebony: (slaps his face): "How dare you? Don't you know what I have done to be with you?"

[Camera cuts back to Bray and Kaden. They watch the girl]

Kaden: "Will she be okay?"

Bray (looking concerned): "I hope...she has diabetic..."

Kaden (wide eyes): "What's that?"

Bray: "It means your pancreas doesn't give enough insulin to your body, we need insulin to control our blood sugar. If it's too low we fall into unconscious and die...and if it is too high we fall into unconscious after a while as well..."

Kaden (now concerned and shocked): "So she will die?"

Bray (shacking his head): "Not if I can prevent it..."

(Bray opens her mouth and smells on her anthem)

Kaden (wondering): "What you're doing???"

Bray: "Her anthem smells like alcohol...when the blood sugar is too high we produce a substance like alcohol...means she needs sugar..."

(Kaden watches impressed how Bray takes the water bottle, fills up some of the water into a cup and dissolves some sugar in it): "How can you know all of that?"

(Bray takes her head on his lap): "I've went to school...but now be quiet..."

(Careful Bray fills in some of the liquid into her mouth)

Jack [looks to Ellie, who is turning red with anger]

Lottie [teary]: She's gone just upped and left...

Trudy: But why?

Lottie [Amber places a reassuring hand on her shoulder]: She said she was bored with being a Mallrat...

Lottie [nods and sniffs, you can see she's been crying] I'm just upset about Gel

Salene [touches Lottie's shoulder reassuringly]: What did she say?

Lottie: She said she was bored of being a Mallrat...

Salene [raises eyebrow]: But...

Lottie: Well I don't think it's the whole truth, I think she didn't want to stay here anymore...

Salene [nods]: Yeah she may have felt like that, but you can't blame yourself...

Ellie (sitting down on Amber's bed with a worried face): "I thought you two are so much in love...?"

Amber (bit teary): "I thought that myself..." (Rubs over her eyes and sighs) "But that's my business....what brought you here, Ellie?"

[Ellie leaning over conspiring]

Ellie: "Mega's maybe manipulated it...or maybe even Jay so that you give him a chance...you never know that for certain. It said \*DELETED\* who tells you it's not the same Mega did with you and jay? Maybe Bray is still alive, just lost his memory..."

[Amber stands up and walks up and down]

Amber: "I know you miss Alice...no one knows how hard it is to miss a person you love, but Ellie..."

May [smiles]: Who are we talking about?

Ruby: Well Lex, Amber, Trudy...oh and Salene

May: Well Lex doesn't believe in anything that doesn't involve women or making a profit [Ruby laughs], Amber is stuck on a moral high horse and Trudy well she's never keen on believing bad things...

Ruby [looks puzzled]: How do you mean?

May: Well you know about the Chosen right? [Ruby nods] She was involved and they brain washed her, now she doesn't tend to accept things that right in her face..

Ruby [nods]: Yeah I guess...what about Salene though? Why didn't she believe me?

May [looks sad]: Sal's got a lot on her mind...

Sammy: But Lex says that girls aren't friends, and that they nag too much

Jack [laughs]: Yeah well Lex's brain only works one way, trust me it's fine to be friends with a girl and care about them. I mean it's not as though you love her or anything.

Sammy [coughs and goes bright red]: No way

Jack [nods]: Right, so how about we get out of here and go get something to eat
