KC: Mmmmmmm?

Jack: You asleep?

KC: I was.

Jack: I can't sleep

KC: Wedding night nerves?

Jack: I guess

KC: Just remember that it will be all worth it in the end.

Jack: I know that... I guess it's just the thought that I will spend the rest of my life with one person

KC: regretting it?

Jack: no, just savoring the thought.

KC: It's nice that you've met "the one" though

Jack: Yeah I know.

KC: Even if it is Ellie

Jack: HEY!

KC: Just kidding. It will be fine. You'll see. You've got the marriage vibe written all over you. (Waiting) Do you mind if I get some sleep now?

Jack: No, sleep away.

Ellie: (to herself) This is it Ellie...the biggest day of your life...

(Ellie turns away from the window and quickly leaves her bedroom, the camera cuts to show Ellie entering her sisters room. Alice is sitting on the edge of her bed making final adjustments to the dress. She looks up and gives her sister a warm smile as tears swell up in her eyes)

Ellie: Oh Alice don't!

Alice: OH I can't help it...it's not everyday I get to see my younger sister marring the boy of her dreams... (Grins) Even if he's one of the biggest geeks we know

(Ellie takes a seat next to her sister and they seat in a comfortable silence for a couple of seconds)

Alice: (Coughs) I know we haven't talked about them in awhile...but trust me when I tell you how proud they would be off you...you have grown up into a beautiful woman, little sis!

(Ellie wipes away a stray tear and rests her head on Alice's shoulder)

Ellie: I hope so...

Alice: I know so...you can't understand how happy I was when I found out that you and Jack were still together...I mean I know you had your troubles...and then there was that whole Luke thing...

Ellie: (Distant)...Luke!

Alice: ...but you soon got over it and now you and Jack are the perfect couple...all we need now is to hear the sound of tiny geeky feet running around the school.

(Camera zooms in on Ellie, who hasn't been listening to Alice since she mentioned Luke. Ellie quickly stands up and takes the dress from Alice)

Alice: (Frowns) You ok Ellie?

Ellie: (Nods) Yea...just need to get ready...you know

Alice: Need some help?

(Ellie shakes her head as she moves towards the door)

Ellie: No it's ok...you just get ready and I'll see you later k?

[Everyone in the common room sees this and everyone begins to laugh. Eric comes over and picks up Bray Jr.]

Eric: Well munchkin guess we better clean you up before your mummy and daddy see you.

[Eric carries Bray Jr to a table and starts to unwrap him.]

Trudy: (turns to talk to Eric while picking up Brady) sometimes I don't know where she gets it.

END OF FLASH BACK

Ellie: (tears rolling down her cheek) Why are you doing this Ellie? You love Jack...

[Camera fades out on Ellie's confused face]

Scene 5

Eric: So, looking at the invitations earlier to the wedding, it says we need dates.

Trudy: NEED dates huh?

Eric: Yep, NEED them

Trudy: So you need a date then?

Eric: I didn't say that.

Trudy: Oh (continues working)

Eric: Hey hey. I meant that I'd already found one.

Trudy: (angry) How fortunate for you

Eric: It's you!

Trudy: Well bout time you said so.

Eric: Trudy, will you be my date to Jack and Ellie's wedding?

Trudy: hmm maybe.

Eric: (airy) Got a better offer?

Trudy: Yep

Eric: Who?

Trudy: Brady.

Eric: Well in that case I have Felicity.

Trudy: But there is nothing in the invitation that says we can't have four people go together.

Eric: That's true.

Trudy: So...

Eric: So I guess we'll make it a double date.

Trudy: Great. Who knows, the girls might not mind us swapping dates.

Eric: Maybe.

[Eric and Trudy smile at each other before giving into a huge hug.]

KC: I don't think you would... you look great in anything, though I do think you look better with nothing on...

(KC winks suggestively at Patsy as she blushes bright pink)

Patsy: I can't believe you just said that...

KC (shrugs): Well it's the truth... ain't it?

(Patsy shrugs and turns back to the mirror, taking down her hair that is pinned up. KC moves from where he is on the bed and wraps his arms around Patsy's waist, nuzzling his neck into the crook of hers)

Patsy (moans softly): Don't...

KC: Don't what... do this?

(KC runs his hands up Patsy's body, and then back down again)

Patsy: Yes... that...

KC: Don't you like it?

(KC moves his hands again, but Patsy grabs them and stops him)

Patsy: I have to get ready KC.. I can't do it with you around... you drive me nuts!

KC (smiles): You drive me nuts too babe! It's why I love you...

(KC spins Patsy around and scoops her up, Patsy squeals as he does so)

Patsy: What are you doing?

KC (passionately): Showing you how much I love you!

Amber: Oh god, why now?

[Amber vomits. She is pale and shaking.]

Trudy: Because that's the way the world works.

Amber: (wiping her mouth on some toilet paper) I never had morning sickness with Jr.

Trudy: Your body is just reacting differently with this pregnancy.

Amber: Did you ever have morning sickness?

Trudy: No. Not that I can recall anyway and I don't think it's something you forget in a hurry.

[Amber gags again.]

Trudy: Just take it easy. Let it pass.

Amber: I wish I could take something to calm my stomach

Trudy: I doubt we could find anything. Besides, it's not like you could take it anyway in your condition.

[Amber rests her head against the cool tiles on the bathroom wall]

Trudy: Feeling better.

Amber: The tiles are nice and cold.

Trudy: Have you told him yet?

Amber: Trudy...

Jack: (looks up) She's left me...hasn't she?

(Lottie and Sammy exchange looks before either of them reply)

Sammy: Of course not mate

Lottie: she properly just needed some space...you know clear her head...this is a big thing for both of you...

Jack: I love her...

(Jack pushes his chair back and jumps up, causing the other Mallrats to all turn their attention to him)

Sal (weakly): How can it be? I ruined... once again I pushed the person I love away and look now where it's got me...

Trudy: Oh Sal...

Salene: I just don't know...

(Camera moves around to show the entrance to the door as May walks through the door, and Trudy spots her)

Trudy: May... you're back.

(Salene spins around, knocking her coffee on the floor as she does so)

Salene: May... you're... are you... I mean... you're okay?

May (nods): Fine...

Salene: May... can we talk?

(There is an awkward silence between them as Trudy looks back and forth)

Salene (teary): May?

May (bluntly): What I said stands... it's over between us... I came back because this is my home... I'm not here to be with you. You've seen to that...

Maya: Yeah well, it's been kind of busy around here.

Cloe: yeah I guess it has.

[They continue in silence for a couple of minutes]

Maya: I'm sorry.

Cloe: For what?

Maya: I'm sorry about what's happened to you. I know it can't be easy but I can relate to what you're going through

Cloe: You can relate to what I'm going through? The loss of a friend? Being pushed emotionally till I can't take anymore?

Maya: Yes, but not in every sense of the word. I mean that we've all been through some tuff stuff in our lives, but I feel as though I can relate more to what you're going through than any of the other Mallrats.

Cloe: I suppose you're right. Maya, thanks for understanding.

Maya: Don't mention it.

Cloe: If you ever need me.

Maya: I know, I know, come talk to you.

[With that, Maya leaves the room. Cloe stares after the girl looking slightly confused but comforted by Maya's words.]

(Jack moves nearer, closing the gap between them)

Jack: Just tell me you love me

Ellie: Of course I love you...I will always love you

(Jack wipes the tears away from his face)

Jack: Then why did you leave...I don't understand?

Ellie: (shakes her head) I don't know how to explain...

Jack: Please....try

(Camera zooms on Ellie as she pushes her hair out of her face)

Ellie: I left because of you...

Jack: (Hurt) did I do something wrong?

Ellie: (Shakes her head) Oh god no...you're perfect...it's me! You deserve so much better than me, I've treated you so badly the last couple of weeks yet you still want to marry me...

Jack: (Grins) That's what Love is Ellie...and I do love you with all my heart...

(Jack reaches out and gently strokes one of Ellie's cheeks. Ellie leans into his hand)

Ellie: I haven't thought about him all these years and then on our wedding day, he's all I've been able to think about

Jack:...Luke?

(Ellie nods as Jack's hand falls to his side)

Ellie: I'm sorry Jack I never meant to hurt you...but it has to be a sign...

Jack: (Looks her in the eyes) You're just scared, I get that Ellie, I really do. I would be lying if I told you I didn't have my doubts either but when I think about everything we've been through and when I think about my future I can't see it without you by my side.

Ellie: But I broke your heart what says I won't do it again?

Jack: It's a risk I'm willing to take...if you married me today you would be making me the happiest man in the world, I know every man says that but when I say it I mean it from the bottom of my heart...

(Camera slowly pans out on the couple)

Ellie: but you could do so much better than me...don't you see that, if I've cheated on you before it makes sense I will again

FLASHBACK

Lex: Why don't you ask me

Tai-San: Lex, leave it

Lex: It's okay; we've nothing to hide, Tai-San. We're in love. Anyone got a problem with that?

Bray: Since when?

Ellie: Since he started taking Alice out. Builds up her hopes, then dashes them - just for the fun of it!

Lex: I never took Alice out like that; I care about Alice, but I never told her I loved her; and I never led her on. Tai-San was just trying to protect her; she didn't want to see Alice getting hurt!

Ellie: Really? Well she failed on that big-time

Tai-San: I'm sorry, Ellie

Ellie: It's Alice you should be apologizing too, not me

Lex: Hey! Neither of us wanted this, it just happened; and now we want to be together

Tai-San: Lex, I told you...

Lex: I know... you told me it's over; but it's not, Tai-San. Not for me, not for you and you know it. I love you, and I want to marry you

END FLASHBACK

(Tai-san sighs softly as she closes her eyes)

FLASHBACK

Lex: Because I love you, Tai-San; because I want to be with you; if that's not a good enough reason I don't know what is!

Tai-san: When I thought you wanted May; when Trudy told me she'd seen you two together, I couldn't bear it. Is that how you feel about me?

Lex: Yes

Tai-san: And that's why you want to marry me?

Lex: Yes

Tai-san: So that's what marriage is all about?

Lex: Yes, Yes

Tai-san: Then you have my answer...

END FLASHBACK

(Tai-san smiles)

FLASHBACK of the wedding

Trudy: We are gathered here today to witness the joining in matrimony of our friends, Lex to Tai-San; Ryan to Salene. They are here to show their love and trust in one another, and to take before us all the vows which will make them one.

Sammy: Do you have a guy in mind

Lottie: (Grins) I might do

(Lottie speeds up causing Sammy to run to catch up to her)

Sammy: After everything with this wedding is sorted...maybe...you know?

Lottie: (Grins) NO what?

Ellie: What?

(Jack uses his free hand to wipe his eyes)

Jack: If you're not ready to get married to me, then I will wait...I'll wait till the end of time if that's now long it takes...as soon as you're ready just let me know and I'll be standing by your side and I'll become your husband then...

Ellie: (smiles) How about now?

Jack: (Shocked) You mean;...you're ready now?

Ellie: Like you said we're both going to have our doubts but as long as we're loyal to each other and promise to love each other till the end, then I think I'm more than ready

(Jack pulls Ellie into a gentle kiss and slightly pulls away)

Jack: (whispers) I love you Ellie and what ever the future brings we will face it together as husband and wife...

Ellie: I wouldn't have it any other way.

[Jack pushes himself up and holds his hand out for Ellie. As Jack pulls Ellie up they meet in another tender kiss before they run off back down the dock. Camera zooms in on where they were sitting to show a crumbled picture of Luke and also the letter he wrote to her. The wind catches both objects and causes them to land into the seas. Camera fades to black]

Scene 16

[Bray and Amber have walked through the front doors of the school, unsuccessful in finding Ellie. Amber looks weak and Bray has his arm around her waist.]

[Ruby comes running towards them]

Ruby: Have you found her?
Bray: No we didn't, we didn't go far.
Ruby: Slade and Ram couldn't find her either.

[Lex comes walking down the hall.]

Lex: I knew it, she's done a runner!
Amber: Oh shut it Lex
Lex: What, I ain't joking.
Bray: Lex...
Lex: Alright alright. Geeze, tough crowd.
Ruby: This is awful! What are we going to tell everyone?

Lottie: Hi...
Razor (quietly): Er... hi...
Lottie (smiles): We haven't met properly have we?
Razor (awkwardly): Not really...
Lottie (pats the seat next to her): Come sit down...

(Razor looks awkward and keeps his head down)

Razor: Can't... too busy...
Lottie: Surely not...
Razor: 'Fraid so...
Lottie: But if you're going to become a Mallrat...

(Razor moves quickly and leaves the café, leaving Lottie open mouthed)

Lottie: How rude...

[Lottie shrugs and goes back to painting her nails, the camera cuts to the next scene.]

Tai-san: Fellow Mallrats. We are here today to witness this union between our two dear friends Jack and Ellie.

Lex: It's about time!

[Everyone gives off a little laugh as Tai-san continues]

Tai-san: I believe that the Bride and the Groom have a few words to say to each other.

Jack: (takes a deep breath) Ellie, from the moment I met you, I was speechless. And if Dal were here he'd vouch for it. There is nothing that I wouldn't do for you and there is no one I'd rather spend my life with. Ellie, you complete me.

Ellie: (tears falling down my face) Jack, you are the reason I wake up in the morning. The reason I get through the day and the reason I can sleep at night. You are my rock that keeps me sane through the tough times and friend who is always there. I love you with all my heart and you make me whole.

Tai-san (takes a moment before continuing.) Now that we've heard their vows and no one has any objections I invite you both now to exchange rings.

[Both Jack and Ellie place a ring on the others fingers and smile happily.]

Tai-san: And now with all these witnesses present, I would like to announce you husband and wife. Jack, you may kiss your bride.

[Jack and Ellie kiss as all the other Mallrats jump to their feet and clap enthusiastically.]

Bray: Something wrong Patsy...

(Patsy glances at Razor who winks at her)

Patsy (shakes her head): No, nothing...

Patsy (stands up): RAZOR!

KC: What?

Patsy: He put his hand between my legs...

Bray: Razor?

Razor (shrugs): What? It's just a bit of fun... besides it ain't like she's married!

Amber: That's not the point Razor... we don't do things like that here...

Razor: Did you mind Pats? I thought you dug me anyway! Being a tease is your thing huh?

(KC glares at Razor before he jumps over the table and pins Razor to the floor)

KC (angrily): She is not a tease (KC punches Razor) She's a beautiful (punch) loving (punch) woman (punch) She's my woman (punch), now stay the hell away from her (KC punches Razor one last time and gets back up)

(The entire table can be heard applauding)

KC: Did I miss something?

(Patsy runs around the table and kisses KC passionately)

Patsy: I guess the cat's out of the bag now huh?

KC (nods): I guess so!

(Bray appears from behind Slade as he sits down opposite)

Bray: You're doing really well you know...

Slade (doubtfully): yeah?

Bray (nods): Yeah... it can't be easy...

(Slade sighs and looks at Bray before frowning)

Slade: You know it isn't and you keep appearing out of nowhere all the time to congratulate me or hassle me... it isn't helping...

(Slade stands up ready to storm off)

Bray: I was only trying to help...

Slade: Do me a favour?

Bray: Sure...

Slade: Don't help!

Scene 21

[Camera fades in to show a black screen, where music plays, the camera then zooms out to show Tai-san and Lex dancing, they are the only ones on the dance floor, fairy lights twinkle behind them as Tai-san leans her head against Lex's shoulder]

Tai-san: This is perfect isn't it?

Lex: Yeah... it's nice...

(Tai-san sighs happily as she wraps her arms more tightly around Lex's neck before she moves her head so that she is looking at him)

Tai-san: What is it Lex?

Lex: What do you mean?

Tai-san: The tone in your voice... told me something was wrong...

Lex (rolls his eyes): It's nice that you know me so well...

Tai-san (raises an eyebrow): So?

Lex: Oh... well, it's just that I've been thinking... that's all...

Tai-san: About?

Lex: Us... I think with everything that's going on, it makes me realise how much I love you... and how I'm jealous of what people like Ryan and Cass have... what I'm trying to say, in this really long winded way, is that I want us to have a family...

(Tai-san pauses as she stops dancing and looks at Lex, moving her hands to move a few stray strands of his hair off of his face)

Lex: Well... don't you have anything to say?

Tai-san (nods): Yeah... I... I want your babies...

Lex (laughs): Okay..

Tai-san: I mean... yes, I want a family with you too Lex..

[Lex and Tai-san kiss passionately as the camera zooms onto them and then fades.]

Ryan: My god woman...

Cass (looks up): What?

Ryan: How can you still be eating?

Cass: I'm hungry... I am pregnant you know...

Ryan (laughs): Yeah, but you're not eating for a family of four, geez I have a big appetite and I didn't even manage to eat half of what you did, I don't know what you do with it!

(Ryan laughs to himself as Patsy and Cloe look at Cass anxiously, Cass proceeds to burst into tears and leave the table)

Ryan (shocked): Cass?

(Ryan looks at Patsy and Cloe)

Ryan: What did I do?

Patsy: What did you do? Ohmigod Ryan are you thick or something?

Ryan: What?

Cloe: You just told Cass she's fat... she's almost ready to pop and you told her she looks fat...

Patsy: Yeah... that's a real smart move,...

Ryan: Huh?

KC: They're trying to say you're an idiot Ryan and that you shouldn't call pregnant women fat!

Ryan: Oh...

Scene 23

[Camera pans around the sports hall, we see that most of the Mallrats have left to go to bed. Gel can be seen dancing on the dance floor on her own to music inside her head. We see Tai-San and Lex heading off hand in hand...as it pans around we see Alice sitting at one of the tables, with a glass of wine in front of her. She wipes her eyes with a tissue before taking a sip from the glass. Also on the table there is also a picture of a younger Alice and Ellie standing with a young boy. Camera carries on to pan around the room to show Darryl and Axel making out in a darken corridor before fading to black]

Jack: I'm so glad you decided to marry me today

Ellie: (Whispers) Me to Jack!

(Jack leans in and kisses her passionately)

Jack: I love Ellie

Ellie: ...and I love you
