Bray: "We are coming in peace...we just search a safe place for the night..."

[Maya and Kaden enter the room, Kaden looks scared]

Kaden: "Has anything done to you?"

[Bray shakes his head and Kaden runs to him, hiding on his side]

Kaden: "Bray is a good man...he is like my big brother!"

Bray (pets Kaden's head): "Its okay little man...he just was trying to defend himself..." (to the guy) "Not easy to be alone, hmmm?"

Guy (laying bat down): "Indeed...I am mistrusting others. But you looks like good people....you can stay if you want..."

Maya: "Oh thanks...because I really need to eat again or my datas go too low again..."

[Takes out her insulin injections and tries to explain Kaden how they function]

Bray: "I am Bray...the boys name is Kaden...and the girl is Maya...Kaden and me come straight away out of a mine camp of the Technos...Maya..."

Guy: "Technos?" (He looks like he is trying to remember)

Bray (nods): "Everything okay?"

Guy (smirks): "Well....physically yeah...psychically...no..."

(Bray looks confused and the guy goes through his short blond hair): "See I wish I could tell you my name and story...but the only thing I remember is...I never lived on a farm..."

Amber (angry): I maybe couldn't save him...but I at least could have kept his love in honour..."

Trudy (confused): "What you mean?"

Amber: "I treat his love like garbage with getting together with a man who was part of the tribe that was responsible for his death..."

Trudy (sighing): "Don't do that to yourself...Jay..."

Amber: "Jay is a nothing against Bray...first it was...well...exciting...felt good...but now...its just feels like my skin is burning when he touches me...his touches and kisses feel hard and lifeless to me..."

Amber (whispering): "I don't know..."

Trudy (getting up): "Don't you think it's too late for that now? Couldn't you think about that before...?"

Amber (looks down to earth): "I know...I am a terrible person...I should have thought at that more before I ruined your relation..."

[Amber breaks out in tears and Trudy's face softens up. She takes her into her arms]

Trudy: "Shh...shh...Amber...its okay...even if it weren't you...it would have happened in another way...cause Jay never loved me like he loves you..."
