West: Calm down two people have escaped we could be under attack soon

Nightwind one: (steps forward) I saw Tai-san walking over here a couple of hours ago

West: Tai-san

[Tai-san is standing behind a bookcase listing to her tribe, she her cloak around her and walks away]

Guy (looking asking at him): "Could you tell me a place to stay?"

[Ryan smiles his friendly, calm smile]#

Ryan: "You're lucky...my tribe has a little pension in this town..."

Guy: "Oh.-...that's really luck then....cause I need a rest and my daughter needs feeding and a bath wouldn't be bad too I guess..."

[Ryan takes a look at the little baby girl]

Ryan (brushing her cheek soft): "She is sweet...how old is she?"

Guy (tenderly speaking): "She is 4 months now...her name is Felicity...and I am Eric..."

Ryan: "Felicity...that's a beautiful one...suits her...I am Ryan..."

[The two guys shake hands and smile at each other, little Felicity yawns sleepily and starts to cry]

Eric (rocking her): "Oho...someone's very hungry..."

Ryan (laughing): "Then lets better hurry man..."

[Together they walk back the road, into the direction of the Firedancers home...they stop on a nice clean pension which has a shield saying *Firedancer Dragon*

Ryan (opening the door) "Come in..."

[Eric follows in and camera leaves the scene]

Scene 3

[Camera shows the Naturals camp, passing the unconscious girl before it focuses on the group gathered around the campfire]

Crow (to Butterfly): How is she?

Butterfly (looks over shoulder at girl): She's doing okay... I don't know what happened to her, but it can't have been good

Crow (nods): Hmm... we must decide what to do

Guy 1: You mean whether she can stay?

Crow (nods): Yes... it is a decision we must make as a tribe

Girl 1: But Crow... you know that we don't mix with the outsiders; they don't respect our beliefs (several of the tribe nod in agreement)

Butterfly: But she was washed up, we don't know anything about her... and she's only one person

Crow (rubs his chin in thought): That is a good point Butterfly... but as I said, we must make the choice as a tribe... remember that she is but one person, and I cannot see what harm she could possibly do

Butterfly: I vote she stays (raises hand)

Guy 1: I second that vote (also raises hand)

Girl 1 (looks confused): I vote her in... so long as we tell her of our beliefs

[Camera focuses on the other members in the group, as one by one they vote the girl to stay]

Crow: So it's decided, she will stay... so long as she can respect our way of life

[Camera zooms out of the group and back to the girl before cutting out]

Scene 4

[Camera cuts to Bray and the others walking through a deep forest]

Bray (heavy breathing): "Okay...that's really beats my condition...I need some water! Anyone else thirsty?" (all nod and Bray grins amused) "That was a pretty stupid question of me, eh?"

Surfer (grabbing after the water bottle): "Could say so man!" (takes a deep sip out of it)

[The group sits down in the shadow of some tree and all close their eyes a while, Kaden lays back his head in Maya's lap]

Kaden: "I am so tired Maya..."

Maya (stroking over his hair): "Sleep a bit Kaden, we wake you up when we walk on..."

[Kaden closes his eyes and Maya hums the melody of *Tribe Spirit*, Bray and Ved lean their head back onto the tree with closed eyes, both getting bit sleepy by Maya's humming]

Surfer (mumbling): "Keep....dream...keep it alive....must keep it....alive..."

[Bray opens his eyes in shock and stares at Surfer]

Surfer (getting bit of sweaty): "Mall....The Mall Rats...Keep it alive....help them...find her...must find her...love her..."

[Bray's eyes get wider and wider and his face becomes pale. He reaches out his hand to Surfer but can't touch him. He just stares like in trance at him]

(Tai-san walks up the street and then slips into the doorway, and pulls down her hood)

Trudy (sighs): Tai-san... I wasn't sure you'd come?

Tai-san (smiles): I arranged to meet you... I keep my word; you should know that by now Trudy

Trudy: Yeah... I guess I do

Tai-san: No Brady today?

Trudy: No she's back at the school...

Tai-san (nods): I see...

Trudy: So why did you want to see me?

Tai-san: I wanted to see how you all are... I could see that last time you were in shock... and also I have some news

Trudy (looks surprised): News?

Tai-san: Yes... Jack and Ellie were captured...

Trudy (gasps): OMG... I need to let the others know (turns to leave)

Tai-san (puts a hand on Trudy's shoulder): No... I let them go

Trudy (looks confused): They came looking for maps... to where the others may be kept... I let them go and slipped the maps in their bags, you'll most likely hear about it later on... I wanted to warn you

Trudy (nods): I think I understand

Tai-san (smiles): So tell me about the tribe...

Trudy (smiles back): Well...

[Camera zooms back as the two girls continue to talk]

Scene 6

Slade (in a silent whisper): "Hi beautiful..."

Ebony (trying to shake him off): "Don't come on like that on me now..."

Slade (leans to her ear and starts to message her neck): "Come on....you can't be so mad with me..." (starts to plant little kisses on her neck and Ebony closes her eyes with a sigh)

Ebony: "I can..." (biting her under lip softly as Slade tenderly nibbles on her earlobe)

Slade (certain grin in the face): "No you can't..." (starts to open the knot of her neck holder top and licks along her neck spine) "You can't, cause you need me..."

Ebony (breathing a bit of aroused as he strokes down the top): "I don't need anyone..."

Slade: "You need me...to protect you..."

Ebony (moving away and frowns): "To protect me? For what you want to protect me?"

Slade (mumbling while kissing her on): "To do a mistake again..."

[Ebony moves a way from Slade and turns round to him]

Ebony: "Mistake? What for a mistake shall I do?"

Slade (speaking careful): "For doing...something you might regret...erm..."

Ebony (crossing her arms): "For example?"

Slade: "For example to be with someone else oilcans ewe have a little problem...or let someone misuse you when you're down..."

Ebony (jumping off the bed): "You mean Lex....last time : WE'RE JUST FRIENDS!!!"

Slade (Ironic): "Lex doesn't know how to write that..."

Ebony: "Are you thinking so bad of me? That I jump to bed with him anytime? And if I want to do that...why you should protect me? Its MY body and my LIFE!!!"

Slade (crossing arms also): "So you would do it?"

Ebony (screaming): "That's not the point in here. Him and me are friends, can't you trust me?"

Slade: "I trust you...its him I mistrust...Lex takes every girl along.."

Ebony (closing the straps tightly round her neck again): "Am I EVERY girl??? I am just a bitch to you, or what??"

Slade (Trying to touch her): "No...I just want to protect..."

[Ebony slaps him hard across his face, Slade falls bit of back]

Ebony (screaming even louder): "JUST SPARE THAT YOU DAMN CRAP! I DON'T NEED YOUR STUPID PROTECTION! NO MAN ACTS ON ME LIKE THAT!"

Slade: "You want to say no man ever broke your heart?"

Ebony (puzzled): "Of course....there were men breaking my heart...and there were men whose heart I broke...but...(getting louder again) "...you SAY YOU WANNA PROTECT ME OF A HEARTBREAK OF LEX....and by that ITS YOU BREAKING IT! KNOW WHAT SLADE? GO! I DON'T NEED THAT!!!"

Slade (getting angry): "You're kicking me out?"

[Ebony runs to door and pushes it open]

Ebony: "You know that gesture?"

Slade (walks pass door, stops short): "If you do that now...I won't coming back!!!"

Ebony (aggressive): "Is that a promise???"

[Ebony slams the door close and Slade stands in front of the close door with confusion in the eyes]

Scene 7

Girl (opens eyes and looks around): Where am I?

Butterfly (smiles): Welcome back... and you're in our camp

Girl (sits up and eyes Butterfly): Who are you?

Butterfly: My name is Butterfly this is our tribe... The Naturals

Girl: You sound like the Eco's

Butterfly (looks confused): Ecos?

Girl (shakes her head): Never mind

Butterfly: So who are you? Do you have a name?

Girl (looks puzzled): Err...

[Camera pans to the side, showing a herd of cattle that one of the Naturals is taking out to pasture]

Butterfly: Don't you remember your name?

Girl (nods): Yeah I do... but I don't want to use it, can I stay here?

Butterfly: Oh I forgot to say that... we voted and you are welcome to stay so long as you respect our ways

Girl (looks worried): What ways are they then?

Butterfly: We live in harmony with the earth, we take what we need and make sure that we replace it. All of our tribe has special skills that they use to help others; basically we live like our name... naturals

Girl (sighs): And that's all there is to it?

Butterfly (nods): We respect the earth and one another... so are you in?

Girl (smiles): Yes... I want a new start and this is it

Butterfly (smiles): Great... so what is your name?

Girl: My name is... Bluebell

[Camera zooms out from the two girls, to the herd of cows before it cuts out]

Patsy: "I don't want to be nosy...but where is the girls mother?"

Eric (sighing): "That's a long story...and a sad one..."

Cassandra (touching his hand): "You don't have to tell us..."

Eric: "But I want to..." (he takes a breath and stares then in front at his hands) "...her name was Nora Sow...we have been together ever since our first high-school year. She was the most beautiful and gentle girl I ever knew. As the virus broke out, we stuck together. We built up a new life on our own, we searched an old farm and there we lived. We had our own vegetables and fruits and even some cows and chicken. Our life wasn't easy but we have been so happy...." (he seems to be far in the past, a sad smile round his lips) "I remember the day like yesterday she told me, we become parents...we have been overjoyed and even more in love then ever. But during the pregnancy she had some trouble to keep the baby and as the big day had come..." [tears form up in his eyes] "...I couldn't do anything...after Felicity was born, she bleed so strongly....either what I did...nothing helped...she died right in my arms....the last I could do was kiss her goodbye and promise her that our daughter will have a good and happy life..."

Patsy (teary): "Oh my god...how sad...."

Cassandra (laying her hand on his): "My sympathy..."

Eric: "Its okay..."

Ryan: "You're brave...(his voice is shacking and on his eyes its to see he is thinking at the past...)

Slade (annoyed): Didn't you hear what I said?
Ruby (sighs): Yeah... but I'm not interested (stands up)
Slade (wraps his arms around her): Playing hard to get are we?
Ruby (pulls away and turns to face him): Drop it Slade... I'm not interested
Slade: I know you said that... but did you mean it
Ruby: Let's see... you slept with me when you wanted some which amounts to using me... you dumped me for Ebony and oh yeah... she tried to kill me... so I think... I'M NOT INTERESTED AND I WOULDN'T BE EVEN IF YOU WERE THE LAST MAN ON THE PLANET

Ruby (slumps on May's bed): Men...
May: Hmm... what happened?
Ruby: Slade... can you believe me just came onto me?
May (seems shocked): I thought he was with Ebony
Ruby (nods): he is or he was... I don't know. All I do know is he offered it to me on a plate
May (laughs): So what did you do?
Ruby (giggles): I turned him down flat... told him I wouldn't ever be interested in him
May (eyes widen): And what did he say?

Darryl: Oh... her tribe?

Trudy (nods): Yeah... I'm not sure what it means

Darryl: Odd...

Trudy (looks confused): What is?

Darryl: Well that she has a new tribe... but is obviously loyal to the Mallrats

Trudy: Hmm... I never thought of it like that

Darryl (shrugs): just strikes me as odd... so what else?

Trudy: She just wanted to know about the tribe... how everyone was.... And also about Lex

Darryl: You think she still holds a torch for him? After all this time?

Trudy (shrugs): I don't know... with her you never know anything

Darryl (nods): So... are you meeting up with her again?

Trudy: I don't know... I'll have to wait and see... I just really want to tell the others, its horrible keeping such a secret

Darryl (smiles): That's why you have me!

Trudy (laughs): Thanks Darryl, I couldn't have done it without you (puts a hand on his knee) You're a real friend

West (nods): It seems that someone let our prisoners go

Tai-san (feigns shock): Really?

West: Really... want to know something?

Tai-san (frowns): What?

West (pushes her against the wall): I think you did it...

Tai-san (tries to struggle free): Me? But why?

West: See I know you Tai-san... I know about your 'meetings' and what you get up to... you have no secrets from me

Tai-san (manages to push West away from her): I have no idea what you're on about

West: So you didn't know they were Mallrats then?

Tai-san (shakes head): No

West (steps closer to her): Guess what... I don't believe you

Tai-san (steps backwards): Stay away from me West... I'm warning you

West (smirks): Oh that's rich... well here's a warning from me... I'm watching you... so tread carefully girlie...

Patsy: I've been thinking about it for a while... I'm leaving Ryan

Ryan (frowns): Leave Taarcoola you mean

Patsy (nods)

Ryan: But why? I mean this is home now...

Patsy: Because I need to do this... I don't have anyone, not like you Ryan

Ryan (smiles): There's someone out there for you Pats... I know

Patsy (nods): I'm sure there is... I have nothing to stop me from going, and as much as I want to stay, I need to go... I need to try and find the Mallrats

Ryan: I knew that this would happen one day

Patsy: You're not disappointed in me then?

Ryan (shakes his head): I could never be...

Patsy (smiles): Would you come with me then?

Ryan (frowns and sighs): It's not a decision that I can make on my own... I would need to talk to Cass

Amber (hold up book): War and Peace...

Trudy (raises an eyebrow): War and Peace... is everything okay?
Amber (sighs): Why do you ask?
Trudy: Because you're a Shakespeare girl... I've seen you read some trashy novels and some deep stuff, that I wouldn't ever begin to want to read... but War and Peace... that's extremely deep
Amber (smirks): Oh... I didn't know you analysed my reading habits so much...
Trudy (laughs): Well someone has to... so do you want to tell me what it's all about...
Amber (shakes her head): It's Jay...
Trudy: What's he done this time?
Amber (wipes a stray tear from her face): Oh Trudy...
Trudy (looks concerned and reaches out to hug Amber, rubbing her friends back): Oh Amber... it can't be that bad whatever it is...
Amber (stops sobbing and pulls away from Trudy, wiping away her tears): It is... Jay... he's.... I broke up with him... it was horrible
Trudy (looks surprised): You broke up with him... but why?
Amber: Because... of... Bray
Trudy (nods): You think he might still be alive...
Amber (nods): Yeah
Trudy (looks confused): So why are you upset... I mean if you finished it with Jay because of Bray... I don't get why you're crying...
Amber (starts to cry again): I don't know why I'm crying... maybe its because of Bray or Jay... oh Trudy I'm so confused...
Trudy (nods): You need to get your mind sorted out... do you love Jay?
Amber (wipes tears away): I did...
Trudy: do you want Jay back?
Amber (shakes head): No...
Trudy: And Bray?
Amber: I want him more than I want to live... my world is flat and grey without him, I'd rather die an old spinster than be without him...
Trudy (raises an eyebrow and smiles): Seems to me you know what you want... maybe what you're feeling is guilt over ending it with Jay...
Amber (nods): Maybe... I never thought of that... (Hugs Trudy)... thanks; you're such a good friend...
Trudy (smiles): Anytime...
Amber: Did you want something? I mean before I sobbed all over you...
Trudy (remembers): Yeah, I was wondering if you could look after Brady for me for a while...
Amber (nods): Sure... no problems... (Frowns) Where is she?
Trudy (smirks): Darryl is looking after her at the moment... I think she's gone a little bit hyper...

Lottie (rolls eyes): Oh them
Sammy: Yeah... I'm old enough to be one of them
Lottie: I guess
Sammy: I'm brave... I can fight
Lottie (nods): Yeah... but you're not Lex
Sammy (scoffs): I can learn to be like him
Lottie (looks doubtful): How?
Sammy (thinks for a moment) Err... (Smiles and then kisses Lottie)
Lottie (is shocked at kiss, but cups Sammy's face and closes her eyes)
Sammy (continues to kiss Lottie and pulls her closer)
Lottie (pulls away for breath): Umm...
Sammy (smirks): See I can be like Lex...
Lottie (smacks Sammy on the head): You're a pig... and no way like Lex
Sammy: Why?
Lottie: Cos you're a crummy kisser (wipes mouth and stands up)
Sammy (stands up): Well seemed like you were enjoying it to me...
Lottie (laughs): I felt sorry for you... it was the worse kiss I ever had
