Trudy (looks confused): A dream... what do you mean, I don't understand...

Tai-san: the dream was about evil deeds, there was the face of a young girl and blurred faces of men... I understand now that what I saw was the fall of the Krul

Daisy: So I understand you want to get out of the prison...

Bray (nods): Yeah... I mean we didn't survive the Techno's and the Chosen just to become prisoners again...
